Charger football program restocks talent with 2010 recruiting class

Hillsdale College head football coach Keith Otterbein is pleased to announce the latest additions to the Charger football program. The team signed several players to national letters of intent Wednesday, and as has been its custom in recent years, expects to add more players leading up to the start of fall camp in August.

“Our staff did another outstanding job in going out to find young men who will not only help us win games on the field, but will be true assets to the college community,” Otterbein said. “We have a staff that relishes the challenge that comes with recruiting players to Hillsdale College, and a big part of our success in recent years has come because of their hard work during the recruiting season.”

Among the group of players joining the team on signing day, two will come to Hillsdale from one of the most successful prep programs in Michigan, Detroit Catholic Central. Signees Butch Herzog and Joseph Snyder were teammates on a Shamrocks team that won the Division I state championship in 2009. Cross-town rivals from Findlay, Ohio - Zach Crawford (Findlay High School) and Brett Pasche (Liberty Benton High School) will become teammates next year. Eight members of this class have overall high school grade point averages of 3.7 or higher.

Below is the list of players who will join the Charger football program starting with the 2010 season.
