Dear Coach,

We appreciate you considering Hillsdale College Shootouts & Camp as your summer destination for competitive basketball. We understand the importance of these summer games in developing your program for the 2011-12 season. We will do everything in our power to provide the best possible experience for your program.

This will be the second year we have run single-day Shootouts and we love the ability to give teams a cheap, competitive environment to improve while seeking a championship. Our 2 day Team Camp has a few more games and will give your team more time to bond and gel throughout the camp. We hope each option is appealing and we would welcome you at more than 1 event! Finally, we look to price our team camps at an affordable level for your program. We hope the cost allows more players and schools to join us. We look forward to hosting you and your team.

Sincerely,

**John Tharp
